## CIRCULAR

(CONCERN ONLY THE STUDENTS PLY THROUGH VANS ENGAGED BY THE PARENTS)

Dear Parents,

Your kind attention is drawn to circular dated 15-09-2017 which has specifically being regulated requiring your assistance and cooperation regarding safety and security of children which being a national mandate.

Through para 2 of the said circular, it was specifically needed cooperation of the parents in a manner

- a) To have the mobile number/ID of the van drivers including verification of character and antecedent by the police.
- b) Atleast one parent should accompany the van each day to take care of the discipline maintained by the van, checking the van drivers including the capacity of the student to avoid over-crowding and the speed maintained by the drivers.

On date i.e. 03-10-2017, the teachers on duty, take care of the safety and security of the students checked in private vans engaged by the parents and they have noticed that none of the above stated condition have been fulfilled and complied by the parents including their accompany by routine in the van.

In view of it, it has been decided to communicate to the parents whose wards ferry through vans engaged by them that it would be their exclusive responsibility in case of any adverse impact created in safety and security of the children and the school in no case shall be held responsible.

It was also the concern of the parents unitedly with the school authorities to take care of the safety and security of the children in unique manner rather to be left isolated so as to be the responsibility of the school.

Hopefully, the parents whose wards ferry in the van engaged by them shall comply with the cordial formalities mentioned in para 2 at above without fail.
